

## GOLF FOR LIFE NFP HISTORY AND BACKGROUND

Since 2003, our program has impacted the lives of over 1500 youth. Many of our youth have worked as caddies at local courses during the golf season. One received a Chick Evans Scholarship and recently graduated from Northwestern University. Others have been successful as members of their high school golf teams. Our youth are also learning valuable life skills while being taught the game of golf

## OUR MISSION STATEMENT

“To serve as a mentor and coaching resource to develop youth (especially those who are under privileged and disenfranchised) and aspiring golfers through clinics, training, and workshops, utilizing golf as a platform for achieving sustainable Life Values that will enhance their success through High School, College and Life.”

Golf For Life NFP is a 501©3 Organization
